Lily and Shanta become friends from Shanta's first arrival at the Top Floor Flat of No 12 Crocus Street. Lily is mesmerised by Shanta's many brightly bobbed plaits and Shanta is fascinated by Lily's customary one red sock, one yellow sock. These are six highly entertaining adventures for reading aloud. They record developing friendships, create a warm insight into the neighbourhood and locality of Lumpstead so that the reader settles in equally as well as the Salkey family. All the stories ooze spontaneously with childlike and credible antics. This book is sure to become a popular read-aloud and the clear full-page illustrations complement the text perfectly.
