'David is "a bit of a brute" so it is unsurprising that, having found he can get into old Mr Alveston's flat through the ventilation shaft, he starts to plays some cruel tricks. Which is fun until he finds that he is working with a ghost-child who goes further than David. But when the old man's flat is trashed David is suddenly led towards its surprising identity in an humane and poignant climax.'

Running Order:

78
