Anne Fine's delightful story of a pair of schoolgirls, each coming to terms with their mother's new boyfriend, won the 1990 Guardian and Carnegie Awards. *Goggle-eyes* is at first seen as a dull, unimaginative bigot, but gradually Kitty, the main character, realises that he too has qualities to be valued. The book's engaging, humorous first-person narrative will endear it to young readers, while the focus on the adult relationship and the difficulties of standing up for firmly-held beliefs give it wider appeal.
