The second Matthew Martin book. Here he and his mates get involved in a scheme to conserve a piece of land under the threat of developers. That's after he and the 'Mummy Club' frighten a classmate half out of his wits by encasing him in quick-drying plaster bandages. Essentially it's lively, comic, full of dreadful puns and reads like an American, TV sitcom; which I guess many youngsters think is real enough!

Running Order:

35
