0

Dragons on the drainpipes, goblins in the grass and giants jogging are just some of the horrors to deter the world-be nocturnal explorer of the world outside the bedroom window - all good reasons for staying in bed. The reader is forewarned of each new horror (which has a reassuring touch of humour about it) by the repeated admonition, 'Don't climb out of the window tonight because...' inviting full participation in this creepy treat for any time of the day or night.

Running Order:

87
